Boulder, CO 80305
United States of America

Dear Dr. Messerly,

On 08-May-2018, your manuscript passed the submission check and has now entered the editorial process.

Title: "Uncertainty quantification confirms unreliable extrapolation toward high pressures for united-atom Mie λ -6 force field"

Author: Richard Messerly, Michael Shirts, and Andrei Kazakov.

Your manuscript has been assigned the Manuscript #A18.05.0077.

You may check on the status of your manuscript by accessing the Live Manuscripts folder on your home page and selecting the "Check Manuscript Status" link. You can log on via the link below:

<https://jcp.peerx-press.org/cgi-bin/main.plex>

If clicking on the above link does not work, try copying it and pasting it into the address bar in your browser.

If you have any questions, feel free to contact us at jcp-edoffice@aip.org.

Sincerely yours,

Editorial Office Staff
